a Continuation-In-Part of patent application Serial No. 07/119,746 filed November 12, 1987. Pursuant to 37 C.F.R. § 1.98(d), the Examiner is directed to the files of these applications for copies of the references AA-FW cited herein. In addition, applicants submit herewith copies of the references FX to GD to be made of permanent record in the file history of this application.

Identification of the listed references is not to be construed an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449, since this form identifies all of the references cited therein as "Prior Art." As an alternative, Applicants submit herewith several pages of a "revised form PTO 1449" entitled "List of References Cited" instead of "List of Prior Art Cited."

Applicants respectfully request that the Examiner review the foregoing references and that the references be made of record in the file history of the application.

Pursuant to 37 C.F.R. § 1.97(b), since Applicants believe that this information disclosure statement is being filed before the mailing date of a first Office Action on the merits, no fee is due in connection herewith. However, should the Patent Office determine otherwise, please charge the required fee to Pennie & Edmonds deposit account no. 16-1150; a duplicate of this sheet is enclosed.
